**APPROVAL OF THE EIGHT-HOUR OZONE
ATTAINMENT PLAN FOR SAN DIEGO COUNTY**

On May 23, 2007, the San Diego County Air Pollution Control Board considered and approved the Eight-Hour Ozone Attainment Plan for San Diego County. The Board also adopted a Negative Declaration pursuant to the California Environmental Quality Act. The Board directed that the Eight-Hour Ozone Attainment Plan for San Diego County and supporting documentation be forwarded to the California Air Resources Board (ARB) for expeditious submittal to the U.S. Environmental Protection Agency (EPA). Accordingly, the following documents are attached:

A letter to the Air Pollution Control Board regarding this action.

The Negative Declaration addressing this action.

The adopted resolution (#07-109) adopting the Negative Declaration.

The Eight-Hour Ozone Attainment Plan for San Diego County.

The adopted resolution (#07-110) approving the Eight-Hour Ozone Attainment Plan for San Diego County.

The Workshop Report.

The official affidavit of publication of the Hearing Notice for the Eight-Hour Ozone Attainment Plan for San Diego County, dated April 20, 2007.

The official affidavit shows that the hearing requirements under State of California Health and Safety Code section 40725 and Code of Federal Regulations section 51.102 have been met.

There was no opposition to this action, nor were any changes made, at the May 23, 2007, public hearing. Consequently, these documents are the same as were recently provided to your staff. The District requests that ARB expeditiously submit the Eight-Hour Ozone Attainment Plan for San Diego County to EPA for inclusion in the State Implementation Plan.

Should you have any questions, please call me at (858) 586-2700, or your staff may call Robert Reider at (858) 586-2640.
